

IN MEMORIUM

Cherie Evans, MD
1945-2009

It is with great sadness that we share the news of the passing of Cherie Evans, MD.

Cherie was a significant contributor to the field of Blood Banking and Transfusion Medicine. She participated actively in the American Association of Blood Banks, the American Society of Clinical Pathologists, the California Blood Bank Society, and the Blood Centers of California. Her insights and impressive knowledge of Transfusion Medicine shaped policies and practices in our field, especially in California, and she has left an academic and educational legacy that will remain for some time to come.

Those who knew Cherie personally will remember her as a teacher, mentor, and friend.

Her wisdom, charm, and gentle sense of humor complimented her “Renaissance Woman” stature. She was a trusted and revered colleague who impacted the careers and lives of many who had the privilege of knowing and working with her. Cherie will be remembered with respect and fondness, and will be greatly missed.
